

THE BROADVIEW POLICE DEPARTMENT

CRIME WATCH JUNE 2014

POLICE ACCOUNTABILITY COMMAND SESSION (PACS)

Sherman C. Jones
Mayor
Village of Broadview

Luis C. Tigera
Chief of Police
Broadview Police Department

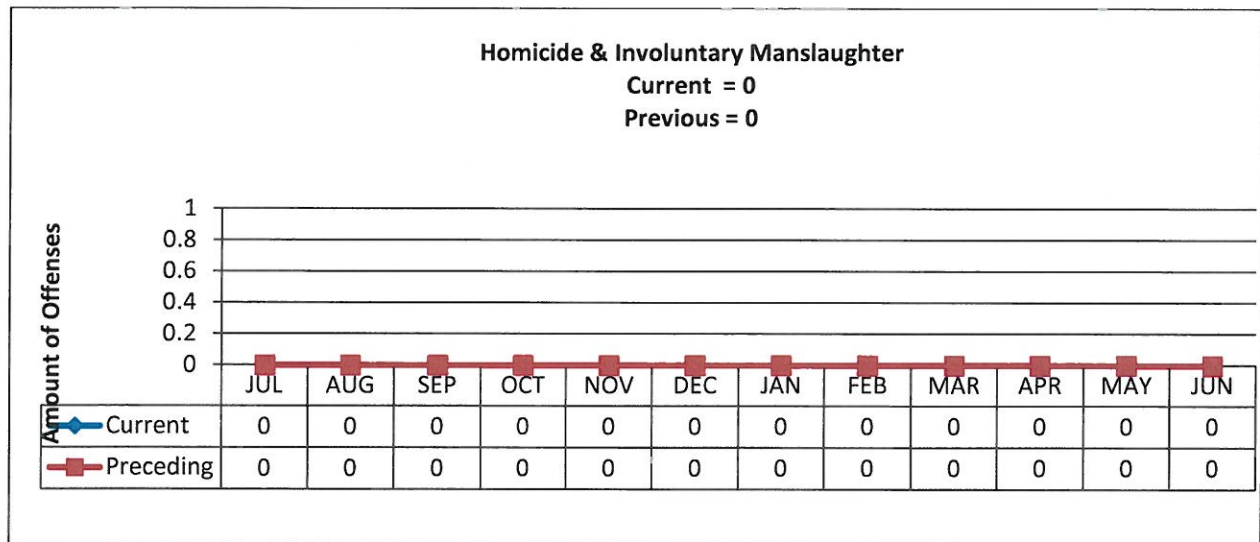

The “Crime Watch” is a way the police department’s command personnel analyzes numbers and locations of crimes and arrests as well as suspects, victims, days and times of criminal activity, and so forth, to identify crime patterns, clusters, suspects, and hot spots. Strategies are then formulated to counter increasing incidents of crime. The Crime Watch encourages creativity in strategies, allocating resources, and deploying police personnel while holding managers and employees accountable for confronting the problems of crime proactively. This new concept will be used at the Department’s monthly – “Police Accountability Command Session”, also known as PACS.

The Index Crimes are used to indicate the amount and extent of serious crimes in a given jurisdiction as defined by the International Association of Chiefs of Police Committee on Uniform Crime Reports. Index Crimes include the following “Violent Crimes”: murder, non-negligent manslaughter, aggravated criminal sexual assault, robbery, aggravated battery and aggravated assault. Also included are the following “Property Crimes”: burglary, theft, larceny, motor vehicle theft and arson. The Crime Index is the total number of Index Offenses occurring within a given jurisdiction during a specified period of time. From July 2013 to June 2014, Broadview’s Crime Index is 403. Compared to 369 for the period of July 2012 to June 2013. This is a 9.21% Increase from the previous year.

While we have seen an increase in the amount of reportable offenses, a decrease has occurred in arrests of 18.37%; 80 arrests for Crime Index Offenses from July 2013 to June 2014 as compared to 98 for July 2012 to June 2013.

The Broadview Police Department is constantly resolving its strategies in order to reduce crime with in the Village as well as to actively pursue offenders.
